

MARC, Inc. Naming Opportunities

A great way to leave a legacy or to honor a loved one is by purchasing the naming rights to one of our many rooms in MARC's new building. Rooms vary in size and are used for a variety of purposes. One of which may have special meaning to you. We understand that times are tough right now, but to make it easier you can spread the total amount out over a period of time and pay in smaller increments. If you want to name a room that is worth \$10,000, you can pay quarterly payments of \$500 over a period of five years or you can even do smaller monthly payments. Mail in the Gift Intention Form to let us know how you would like to help MARC in our efforts to raise money for the building fund.

For more information or to reserve a room, please call Kevin Zingler at (860) 646-5718.
