

Anne:Gogh

is a proud Hartford native committed to uplifting the community through creating safe spaces for self-care and expression.

She is a visual & performing artist who is determined to fortify the importance of veracity and altruism. She works as an Employment Specialist for MARC, assisting people with intellectual and developmental disabilities so they may lead meaningful lives of independence, choice, inclusion, and continuous personal growth. Anne: also serves as a facilitator at Toivo, a holistic healing center. Pictured here is an example of her public art, located at Albany X Sigourney in Hartford, CT.
