

Beth Heller

Beth's hobbies consist of arts & craft projects, cooking, and spending quality time with family & friends.

She is very thankful that she has a lot of love around her in her life because it makes her feel like she can do anything!

She also loves being a part of the MARC family, "They make me feel like I belong there and everyone who works there is very good to me, like my staff member Jalisa. I love working with her everyday".
