

Thomas McCann is the host of MARC Matters, produced and aired by Cox PATV Channel 15 for the Manchester market. It airs at 11:00 a.m. and 7:30 p.m. every Thursday.

What he enjoys the most about being host of MARC Matters is interviewing staff from MARC. He says it makes him feel like he's giving back by using his talents. Tom says he's always had the gift of gab. "Even when I was real young, I always enjoyed interviewing my 6 siblings about their jobs and all the things they were doing."

Tom's process consists of learning who he is interviewing and then tossing around question ideas with Kevin Zingler before the taping. When asked if he feels the need to rehearse, he says "Not really, I am a professional!" And after 12 years of MARC Matters, we don't disagree.
